**GLADIATOR MEDIUM TRUCK RADIAL LIMITED WARRANTY**

American Pacific Industries, Inc. (API) hereby warrants every new GLADIATOR Medium Truck Radial tire bearing a complete description as required by DOT and supplied by an authorized Dealer to be free from defects in workmanship and material. The original purchaser is entitled to the benefits of this Warranty. The warranty period starts from the date of manufacture as determined by the DOT/Serial number.

### A) Casings of GLADIATOR Medium Truck Radial Tires are warranted for workmanship and material related conditions through the life of the second retread. The life of the second retread is considered to commence the reconditioning process when the casings are replaced on a suitable size of tire and/or rim.

- **255/70R22.5, 275/70R22.5:** $65.00
- **295/75R22.5, 295/80R22.5:** $90.00

### B) If an examination shows that a casing of a GLADIATOR Medium Truck Radial tire was removed from service due to workmanship or a material related condition, API will give a credit toward the cost of mounting and balancing the tire to the original price of the tire as reflected on the invoice or the overage price of the tire as reflected on the invoice.

### C) Tires produced prior to August 1, 2014 (DOT date code 3314 and earlier) will be credited based on prorated tread depth remaining.

### D) Cost of mounting and balancing will be refunded up to a maximum of $16.00 per tire. Written proof of these costs will be required.

### E) All Gladiator Medium Truck Radial warranties are limited to the original purchaser and the original vehicle on which they are mounted for a period of five (5) years from the date of manufacture, and are not assignable to subsequent purchasers or vehicles.

### F) Submission of claims covered by this warranty constitutes adherence to the terms of this warranty as detailed herein.

### G) American Pacific Industries, Inc. (API) hereby warrants every new GLADIATOR Medium Truck Radial tire bearing a complete description as required by DOT and supplied by an authorized Dealer to be free from defects in workmanship and material. The original purchaser is entitled to the benefits of this Warranty. The warranty period starts from the date of manufacture as determined by the DOT/Serial number.

### H) The following is not covered by the GLADIATOR Medium Truck Radial Warranty:

- Tire branded or marked “Non-Adjustable” (N/A) or “Blemished” (Blem), or previously adjusted.

### I) Guarantee Exclusions:

- Tire branded or marked “Non-Adjustable” (N/A) or “Blemished” (Blem), or previously adjusted.

### J) The following is not covered by the GLADIATOR Medium Truck Radial Warranty:

- Tire branded or marked “Non-Adjustable” (N/A) or “Blemished” (Blem), or previously adjusted.

### K) GLADIATOR MEDIUM TRUCK RADIAL TIRE CONSTRUCTION

**ECOSAFE TIRES**

American Pacific Industries has integrated **Ecosafe** technology into the design and development of GLADIATOR MD6000 MEDIUM TRUCK tires. **Ecosafe** technology reduces rolling resistance and increases fuel efficiency. This process lowers vehicle emissions, which helps to sustain a healthier planet.

**AMERICAN PACIFIC INDUSTRIES**

The Environmental Protection Agency’s (EPA) has tested and verified the performance of vehicles, technologies and equipment that have the potential to lower greenhouse gases and other air pollutants from freight transport.
