FEATURES AND BENEFITS

M/T TREAD & SIDEWALL DESIGN

- Aggressive is an understatement. This tire is a beast!
- Maximum traction and grip on the shoulder are of the tire when it's needed most.
- Self-cleaning tread and shoulder area to prevent mud, rock and snow build up.
- M&S Rated

X/T TREAD & SIDEWALL DESIGN

- Ultimate light truck crossover tire between the M/T and A/T.
- Ideal traction and grip on the shoulder area of the tire.
- Superior daily driving performance while maintaining the aggressive aesthetics for any light truck.
- Self-cleaning tread and shoulder to prevent mud, rock and snow build up.
- 3-Peak Snow Rated

A/T TREAD & SIDEWALL DESIGN

- This cutting edge design has all the advantages of the X Comp M/T and ATR, with some very subtle changes.
- The tire casing has two full plies of polyester with full sidewall turn up, to enable a more comfortable ride, yet very strong and durable.
- The tread area is an aggressive design, yet suitable for everyday driving conditions, with all season and snowflake ratings!
- The tire shoulder area incorporates X Comp's proven aggressive and functional design, giving drivers protection and traction when needed.
- In summary, this new tire is very quiet with a smooth, controlled ride for all driving conditions on and off road.

ATR TREAD & SIDEWALL DESIGN

- The tire casing has three full plies of polyester with a high turn up on the sidewall. This gives the tire excellent strength and durability.
 - *ATR tires are designed with two ply sidewalls for maximum flexibility and contact.
- The tread area has two full steel belts and two full nylon belts. The result is a very stable tread and shoulder area for aggressive and proven performance.
- The end result is a tire that is strong, stable, durable and surprisingly quiet.
- Race proven, enthusiast approved!
 - *R/S tires offer the lightest weight option with a strong and durable race compound. The R/S was built specifically for UTV racers with the feedback and testing provided by our X Comp Brand Ambassador team.

XCOMP[®]

TIRES

NEVER COMPROMISE[®]

100% FREE REPLACEMENT WARRANTY

American Pacific Industries, Inc (API) hereby warrants every new Gladiator Light Truck (X Comp) tire for workmanship and material related conditions for the life of the original tread of a new tire less 2/32". The life of the original usable tread ends when the tire tread has worn down with only 2/32" remaining as measured in the fastest wearing groove, at which point the tire is considered to be fully worn out. API will refund the cost of a replacement Gladiator X Comp tire. Applicable taxes on the new tire and costs of mounting and balancing service shall be borne by the owner. All Exclusions listed below void this 100% Free Replacement Warranty. Conditions and coverage are subject to change at any time and without notice.

- A) The Gladiator X Comp tire must be replaced with a comparable new Gladiator X Comp tire by an authorized Gladiator dealer. Copy of invoice will be required.
- B) 100% free replacement applies to new first quality tires. Blemished tires, retreads and road hazard tires are specifically excluded (see Road Hazard Warranty below),
- C) Adjustments on ride complaints or out of round tires are excluded from this warranty if they are worn past 2/32" from the original usable tread of the new tire.

FREE ROAD HAZARD WARRANTY

Every applicable Gladiator X Comp tire that has been irreparably damaged due to a normal road hazard condition (e.g. irreparable cut, puncture, snag, bruise, or impact break) within the first 25% of the original tread depth and within 2 years from the date of purchase will be replaced free of charge with an equivalent Gladiator X Comp tire. Applicable taxes on the new tire and costs of mounting and balancing service shall be borne by the owner. To be eligible, you must present your original invoice showing date of purchase. All Exclusions listed below void this Road Hazard Warranty. Conditions and coverage are subject to change at any time and without notice. ALL ROAD HAZARD CLAIMS MUST BE SERVICED THROUGH YOUR AUTHORIZED GLADIATOR X COMP DEALER.

Applicable X Comp Lines with Road Hazard Warranty: X Comp M/T, X Comp X/T and X Comp A/T

SATISFACTION ASSURED

All API passenger and X Comp tires are covered by the 30 Day "Satisfaction Assured" trial period. If, for any reason, other than an excluded condition listed in the respective tire's Standard Warranty, you are not satisfied with your new set of tires within 30 days of date of purchase - or the first 2/32nds of tread wear as measured in the fastest wearing groove (whichever comes first) - you may exchange all or any one of them for the same number of the same design or similar design API manufactured tires. Mounting and balancing are free of charge (excluding online orders). Owner pays all applicable taxes. If you wish to exchange for another set of API manufactured tires that have a higher cost, you must pay the upgrade from the original purchase price, including shipping and all applicable taxes. If you wish to exchange for another set of tires, which is at a lower cost, you will receive a credit for the difference in cost.

This Satisfaction Assurance guarantee only applies to the original new set of manufactured passenger and X Comp tires purchased and not to the replacement tires under this guarantee.

Administration of the Assured Satisfaction Warranty

Within the 30 days from the date of purchase or the first 2/32nds tread wear as measured in the fastest wearing groove, you must return your tires to the authorized API brand tire dealer where you purchased your tires. You must present the original sales receipt and proof-of-purchase. Reason for dissatisfaction must be explained to the dealer (i.e., appearance, ride, handling, etc.) and noted on the adjustment claim form.

EXCLUSIONS

- A) All Gladiator warranties are limited to the original purchaser and the original vehicle on which they are mounted, and are not assignable to subsequent purchasers or vehicles.
- B) The warranties listed above are applicable only in the United States and Canada and any tire used or equipped on a vehicle registered or operated outside the United States and Canada are not covered by these warranties.
- C) The following is not covered by the warranties listed above:
 - 1) Tire branded or marked "Non-Adjustable" (N/A) or "Blemished" (Blem), or previously adjusted.
 - 2) Failure, damage or irregular wear due to:
 - a) fire, accident or vandalism;
 - b) mechanical condition of vehicle, including improper alignment, improper inflation, wheel imbalance, faulty shocks or brakes;
 - c) misapplication of tire; or
 - d) alteration of the tire, addition of foreign material, transfers from one vehicle to another or any previous damages and/or repairs.
 - 3) Cost of mounting and balance service.
 - 4) Loss of time or use, inconvenience, or any incidental or consequential damages except as prohibited by law.
 - 5) Adjustment on out-of-balance or out-of-round tire is allowed only during the first 2/32" of the original tread as measured in the fastest wearing groove. A set of all four (4) tires from the same vehicle claimed for out-of-round will not be accepted.
- D) Any Gladiator X Comp tire produced five (5) years from date of manufacture as determined by the DOT/Serial number are not covered under the warranties listed above.

REPAIRS AND RETREADING: RATING CHANGES AND CAUTION

- A) Repaired, retreaded or altered Gladiator tire with "Speed Rating(s)" no longer retain their "Speed Rating".
- B) If the aforementioned tire(s) is repairable, see the recommended repair procedures used by the tire dealer(s) for repairing tubeless passenger car radial tires as detailed and illustrated in the RMA puncture repair procedures.
- C) Repairs must be restricted to the tread area inside a half inch of the sidewall of the tire.
- D) Do not repair any punctures that are larger than 1/4" in diameter.

OWNER'S OBLIGATIONS

In order to be eligible for Gladiator X Comp Limited Warranty service, the dealer/owner must:

- A) At the time of purchase, the tires must be properly installed, correct air pressure set and the wheels balanced.
Every 6,000 miles the tires must be rotated, proper air pressures set and the wheel alignment checked.
- B) Any tire to be adjusted must be presented to an authorized Gladiator dealer.
- C) Present proof of purchase to the satisfaction of the dealer.
- D) Complete and sign a Gladiator Warranty Claim Form which is available at any authorized dealer.
- E) Pay the amount due on a new tire, less the amount of credit, including taxes, mounting and balancing charges or cost of other services ordered.

DISCLAIMER

This warranty, or any warranty stated or referred to herein, is exclusive and in lieu of any other warranty regarding the quality of Gladiator Tires, whether expressed or implied, and remedies for breach thereof shall be limited to those specifically provided herein.
